<b>15. Editor, Reviewer for Journals</b> .....	<b>31</b>
<b>16. Creative Output</b> .....	<b>31</b>

## Academic Staff

Name	Position	Qualifications	Research Interest
<b>Dr Alastair Anderson</b>	Senior Lecturer, Research Coordinator	BEd MBA PhD GradDip AppSc	Socialisation of children into sport, soccer fan violence, computer anxiety, drugs in sport, sport and active living and personality. Social media, gaming and wellbeing.
<b>Dr Stephen Andrew</b>	Senior Lecturer	DClinSci BEd(Couns) BA	The impact of the therapeutic alliance, burnout, effective teaching of psychotherapy, and problem gambling behaviour.
<b>Dr Coral Brown</b>	Assistant Director	PhD MA GradDipEd(Couns) BA FAPS MACE	Attachment theories, psychodynamic psychotherapy, evidence based practice and training, relationship therapy and the therapeutic change processes.
<b>Ms Julijana Chochovski</b>	SAGE Deputy Director	BSc(Hons) GradDipPsychStd GradDipPsych MPsych(Clin) MAPS	Ageing, depression, dementia, grief and loss, trauma, retirement and adjustment issues.
<b>Dr Michael Clarke</b>	Lecturer, Supervisor, Coordinator - Doctor of Psychology (Clinical Psychology)	PhDClinPsych BSocSchHons GDipPsych BA MAPS	Gender, sexuality, sexual functioning, anxiety, social psychology.

<b>Dr James Collard</b>	Lecturer & Supervisor	DPsych GradDipPsych BCom BSci MAPS	Mental health, cognitive behavioural theory and practices, health psychology and the interaction of physiological and psychological factors, subjective wellbeing, the enhancement of therapy with technology.
<b>Dr Rachel Cousins</b>	Lecturer	DPsych (Clinical) BBS(Hons) MAPS	Transition to parenthood; parenting issues; building children's emotional intelligence; parenting programs  Chronic Illness; physical and mental health; mindfulness
<b>Dr Russell Deighton</b>	Senior Lecturer	Dr biol hum (PhD) (Ulm) Dipl Psych (Clinical Psychology, Konstanz) BA(Hons) MAPS	Sensorimotor and emotional processes in trauma; problem gambling; and loss and grief.
<b>Ms Mary Dewberry</b>	Lecturer	MA(Couns Psych) BA (Hons) MAPS	Christian research, spirituality and well-being, marital satisfaction, psychology and refugees, psychology and Christianity
<b>A.Prof. Andrew Francis</b>	Director of Research	B.BSc (Hon), Ph.D, DipHlthSci, DipPMT	Integrative psychology, behavioural neuroscience, general psychopathology, personality disorders, dementia, resilience across the lifespan, nature & wellbeing, meaning making.
<b>Ms Robyn Gordon</b>	Lecturer, Clinician, Supervisor	MA GradDip MAPS	Psychoanalytic psychotherapy, attachment theory; child and adolescent mental health; depression; relationships; body image.

<b>Dr Alexa Kambouropoulos</b>	Senior Lecturer, Coordinator– Workplace Education Unit	PhD Med(Psych) BA MAPS	Counselling across cultures, youth health and well-being, supervision and evaluation of educational programs.
<b>Ms Margaret Karafilowska</b>	Lecturer, Clinician and Supervisor	MCounsPthy GradDip(Psych) Assoc MAPS	Problem gambling and evidence based treatment methods; anxiety disorders; social anxiety; OCD; attachment and relationship factors
<b>Dr Mandy Kienhuis</b>	Senior Lecturer, Coordinator Graduate Diploma in Psychology	PhD (Clinical) BAppSci(Hons) BBehSc GCertTertTeach&Learn MAPS	Adjustment to life transitions; parenting; stress and coping; resilience across the lifespan; perfectionism; evaluation of clinical interventions; student wellbeing; evidence-based teaching methods.
<b>Dr Jon Kettle</b>	Clinical Psychologist, Lecturer, North West Area Clinical Manager	PhD MPsych (Clinical) BA (Hons.) MAPS MCCLP	Mental illness, psychopathology, psychotherapy, and the training of psychologists.
<b>Ms Zoë Krupka</b>	Lecturer	MCounsHumServ PACFA (Clinical)	Supervision theory and practice; therapist self-care and burnout; auto ethnographic research methodology, critical theory, anthropological psychology.
<b>Dr Jacquie Mills</b>	Lecturer	BAppSciPsych(Hons) PhD	Body image (both men and women), disordered eating, social media use and body image, ecological momentary assessment, use of smartphone apps, and interventions for body image and disordered eating.

<b>Dr RoseAnne Misajon</b>	Senior Lecturer	BSc/BA(Hons) PhD	Subjective wellbeing, health-related quality of life, chronic illness, psychometrics and scale development, experiences of prejudice, social inclusion and culturally diverse populations.
<b>Dr Tanya Osicka</b>	Clinician	DPsych(Health), GDipPsych, GradCertGer, BA, MAPS	Dietary behaviors in functional bowel disorders; renal dialysis, health literacy and quality of life; meaning based interventions for advanced cancer; and disclosure of parental cancer to children.
<b>Professor Ben Richardson</b>	Head of School	PhD Psych(Hons) BAppSc	State-based phenomena (e.g., what someone is feeling or thinking 'right now') impact upon mental health and behaviours such as risky drinking.  Areas of expertise: Data Science; Experience Sampling / Ecological Momentary
<b>Dr John Ryan</b>	Lecturer	PhD GradDip AppSci DipEd	Dyslexia, specific learning difficulties and the perceptual assessments use for fitness work.
<b>Ms Bella Saunders</b>	Lecturer, Deputy Coordinator– Master of Psychology (Clinician of Psychology (Clinical Psychology))	MClinPsych MEdSt (Psych) DipEdPsy BA MAPS	Children's mental health, early intervention and prevention of mental health disorders in children, developmental disabilities and learning difficulties.

<b>Dr Vasileios Stavropoulos</b>	Senior Lecturer Clinical & Research Supervisor	PhDClinPsych MScClinPsych BSc(Hons) MAPS	Internet Addiction, Internet Gaming Disorder risk and protective factors, assessment and treatment; Developmental Psychology (Latent Growth & Multilevel Analyses; Psychometry (Measurement Invariance studies across different cultures, genders, age groups).
<b>Dr Claire Thompson</b>	Research Fellow - Community Programs	PhD MPsych (Clinical) BA (Hons.) MAPS FCCLP MSPS	Ageing and mental health of older adults, trauma recovery for young children, models of clinical psychology training programs and Program Evaluation.
<b>Dr Steven Trawley</b>	Lecturer	PhD, BSc (Hons)	Diabetes self-management; prospective memory, older adult cognition, road safety.
<b>Dr Sarah Wrigley</b>	Lecturer, Placement Coordinator, Master of Psychology (Clinical Psychology)	DPsych(Clin) GradDip CAT BBSc(Hons)	Applying scientific research to direct client services, development and application of group intervention programs, psychological therapies for the treatment of chronic physical health problems.
<b>Ms Kelly Watt-McMahon</b>	Lecturer	MPsych(Clin) BBSc(Hons)  Enrolled in PhD	Borderline personality disorder – Assessment and management of chronic suicide risk & self-harm; Principles in the relationship that underlie successful treatment; Integration of evidence-based treatments for BPD. Training professionals and students in working with BPD.

# Research Outputs
